MISS MARGARET FOSTER

MRS. ETHEL SHERIN

Our thanks to you for your many years of service and guidance to the students of Cambridge Central School.

ADMINISTRATION

It is always a pleasure to congratulate a senior class and to share your moments of enthusiasm. Society has impressed upon you the importance of an education as a prerequisite for future achievement. Unfortunately, your present education has been unable to answer all the questions about the present or the anticipated society of the future.

Your home, community and school have made a sincere effort to assist you in preparing for this uncertain future. You have pursued knowledge, attacked problems and discovered solutions which require not only knowledge but initiative, responsibility, diligence and leadership. You have studied events of the past and their relationship to each other and their application to the present. You should project, intuitively, the present into the unknown future. We know at least one thing about the future; it will be different and we are fairly sure the rate of change will increase.

Therefore, your need for continued learning will progressively increase. Regardless of your present rank in class, your Regents scores or future academic pursuits, your identity in the society of the future will be determined by how well you have developed the ability to learn.

As you progress through life, your learning experiences will never terminate, but instead they will become more dependent upon your individual efforts.

It is our hope that your efforts and experiences at Cambridge Central have made a major contribution in preparing you for your place in a world of progress. I anticipate you will reflect with satisfaction upon the many experiences recorded in your yearbook.

May I sincerely extend to each of you the best wishes of the administration and faculty.

FACULTY

OUR FOREIGN EXCHANGE TEACHER: MISS WHITE

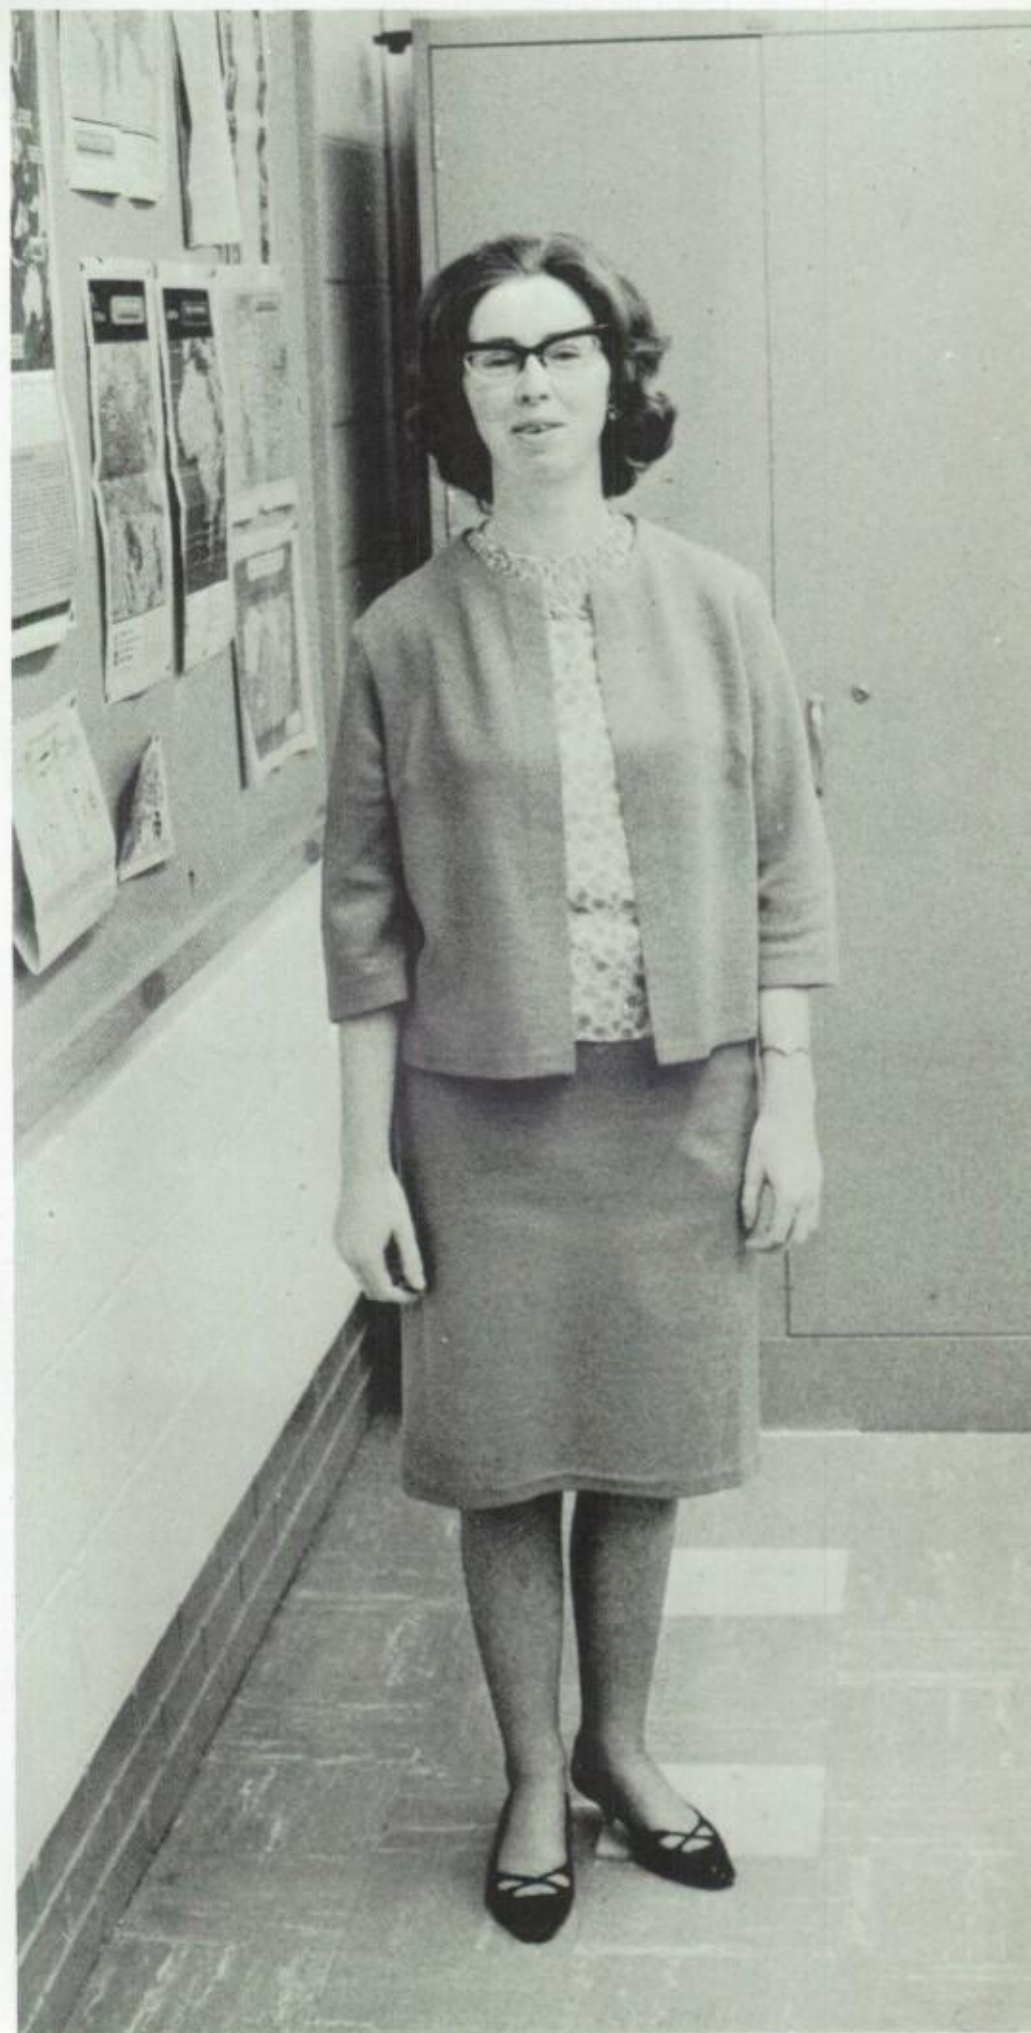

Hi There,

What a wonderful year this has been. I shall return to England with many happy memories of Cambridge and C. C. S.

I shall remember the friendly greetings of students in the hall; the excellent classroom discussions on world problems; and the lighthearted rivalry as to whose pronunciation was correct! I will not forget those football and basketball games, and the cheerleaders with their energy and deep-throated enthusiasm.

And....would you believe?.....study halls and eighth period!

THE MOUSE THAT ROARED

K. Marsh, B. Squiers

Broadway never had it so. Kerry Marsh, Bruce Squiers, and Steve Heron were soldiers. Call them cupids and say their barbs pricked the hearts of Sheila Murphy and Ron Wilwol. It didn't happen, but say it did. Then there was the general, the President, and the Scientist who privately owned the mightiest bomb (Q) in the world. Then a tiny country stole it and grew and grew and grew.

Water on the stage floor. Water on the seats. A salty flood boiling down the aisle, thru the halls, out the door. Janitors marching upset, grumbling, moping protesting, the tears over "Our Town." Judy Dickson died. Dennis Flynn died, as did Toni Farrara die, while the audience cried and the director (bailed, rowed) sighed.

Cambridge	13	13	Stillwater
Cambridge	6	15	Schuylerville
Cambridge	0	6	Hoosick Falls
Cambridge	6	39	Fort Edward
Cambridge	6	13	St. Peters
Cambridge	12	7	Greenwich

The Cambridge Indians, under the direction of Coach Milt Tesar, performed better than their overall record of 1-4-1 during the 1966 campaign would indicate. After a 13-13 tie with an aroused Stillwater team that heavily outweighed the gridiron Indians, injuries and scholastic ineligibility cut deeply into the already thin ranks. During a muddy, cold contest with Schuylerville, the boys were not outplayed, but they failed to deliver the offensive punch and lost, 15-6. They again lacked the big offensive play as they went down to Hoosick Falls, 6-0. The following Saturday was the single time that Cambridge was really outclassed. They hit the dust as Fort Edward soundly trounced them, 39-6. With several players returned from the "Red Cross" team, the Indians met league-leading St. Peters and made the first score against the Saints all season only to lose again, 13-6. The final game saw a once-again healthy Cambridge team take the field against the defending Washington County League Champions from Greenwich and handed them a defeat to the tune of 12-7.

For the third consecutive year, the Indian basketball team suffered a disappointing season. At the beginning of the year, Coach Ralph Smith's boys looked forward to a somewhat successful season as the spoilers of the Washington County League. But, after dropping a 41-42 squeaker to Lake George in the opener, the team failed to materialize. Although playing good ball for most of a game, a slump for a few minutes always seemed to break the Indians' back. Co-captain Joe Vitello and sophomore John Tully saw most of the backcourt action with Jim Blanchfield or John Langer underneath the hoop. One forward spot was held down by Steve Nygard with the other up for grabs. On the bench, Steve Davis, Ken Gottry, Jack Pennefather, Jeff Ashworth, and Chuck Watkins turned in sometimes erratic performances, often giving support to the starting five. With the loss of only four seniors and a hot group of sophomores coming up from the JV squad, the prospects for next year should be better.

SENIORS

Faced with the problem of rebuilding a squad that lost six lettermen, Coach Tesar's matmen, including nine new faces, gave the opposing teams rough competition. The Indians 5-10 team record is a poor indication of the tremendous individual effort made by each member of the squad. Dean Chapin (112 lbs.) began the season by reeling off five straight pins and finished the season with a 14-3-1 record including 12 pins. Ed Hunt, (154 lbs.) the Indian's captain, secured a 13-3-1 record and Bill (Beaver) Watkins ended the season with an 8-3 record in addition to placing third in Section II. Chapin, Hunt and Watkins all brought home first place trophies from the Washington County Meet at Schuylerville while Tom Langer, a promising sophomore prospect, finished second in the county.

D. Chapin, R. Wilwol, E. Hunt.

CLASS HISTORY

The class of 1967 entered kindergarten in September, 1954. Eight years later we ascended the stairs to the upper halls of C. C. S. After an agonizing first year, we swung into our sophomore year introducing the "Malibus" who made record hops practically extinct.

Magazine sales were first on the agenda for our junior year. In November of '65, "The Mouse That Roared" introduced theater-in-the-round and Mr. Thorton's direction made it a great success for us. In the spring of our junior year, Mrs. Schoen directed "Riders to the Sea", our one act play for the student council scholarship fund. In May, the Junior Prom, Camelot brought a distinctly, different atmosphere and enchanted all those who attended.

Our senior year started by supervising the concession at football games. The Senior play, "Our Town" in November of '66 again under the direction of Mr. Thorton displayed excellent acting and attracted audiences from other distant schools. It was said that the Senior Ball, "Frosty Frolics", through the diligent teamwork of the seniors was the most beautiful ball ever presented. The 25th of June will be a rewarding end to 13 years of hard work---but it was all worth it!
